

The Kappa

KAPPA KAPPA KAPPA SOCIETY

PILLAR

HANOVER, NEW HAMPSHIRE

FALL 2013 & WINTER 2014

PRESIDENT'S MESSAGE

Dear Brothers,

Greetings and warm regards from the undergraduate brothers here at 1 Webster Avenue! I hope that this edition of the Pillar finds you in good health and spirits. It is my pleasure to report, as many have before, that the state of our brotherhood remains strong, proud, and united.

For anyone on campus, the Fall and Winter are invigorating seasons. In the Fall, with students returning from summer jobs or classes, every sport, club, and student organization finds a new vitality with the initiation of its new members. So it is with Tri-Kap as well. Since the introduction of 20 new pledges after rush, the house has brimmed with the energy and excitement of welcoming our new members and educating them in our ways, instilling in them the same sort of pride for our house and brotherhood that has filled Tri-Kaps for generations. However, for all the excitement over new faces in our hallowed halls, it is the return of old friends to Hanover that fills us with the most cheer. For the first time since pledge term our senior class of 2014 found itself wholly reunited, eagerly swapping stories with the 15's, fresh off their sophomore summer.

In the Winter, while large portions of the brotherhood explored jobs and research off campus, those of us who found ourselves on campus enjoyed the warmth of the house and the many winter sports opportunities the inclement weather afforded us. Despite the cold outside, the house was always alive and warm with brothers and alumni swapping stories and planning events to take our minds off the cold.

President's Message Cont'd

Even while we enjoy the social perks of our society, we remember well the academic prestige of the College and our own history as a literary society. The academic chairman's report will share how guest lecturers have educated the brotherhood on the history of Dartmouth and Tri-Kap (two as one, forever) and will elaborate on the incredible ways our current undergraduates are contributing to their diverse fields of study. The Philanthropy Chairman's report will describe how our brotherhood has actively sought to give back to the community we live in. We have also seen great athletic achievements from the brotherhood, including IM Soccer and IM Basketball Championships and contributions from brothers to Big Green athletic teams on both the varsity and club levels.

Tri-Kap remains a welcoming and inclusive house on campus. We have also been proactive concerning issues of sexual violence. To this end, we have required that every brother be trained by the College to spot and stop sexual assault whether in our house or elsewhere.

It has been great to see alumni friends both new and old who have visited and partook in our shared heritage throughout the past terms. Whether it is a big weekend such as Homecoming or Winter Carnival, or the random winter weekend during which some Boston alumni visited, it is always fun to celebrate our brotherly connection with alumni. 1 Webster is as much yours as it is ours, and we always love the opportunity to welcome back those who built the traditions of the house.

As we look forward to the future, we have elected our next Executive Board a term earlier than usual, in an attempt to allow further planning, easier transitions, and more by collaboration throughout the Winter Term and after. We have full faith in the next Executive Board, headed by President Anka Tezcan '15, to guide and motivate the brotherhood to further achievements on campus.

As always, we welcome feedback and other contact from alumni, and encourage you to continue to connect with the brotherhood. If you can make it up to the house, please feel free to contact me or the Alumni Board to make sure available undergraduates get a chance to greet you.. I hope you enjoy the Fall and Winter Pillar, and make sure to read on for much more of what we've been doing on campus, upcoming alumni events and other news. We hope to hear from you soon!

Yours in Kappa,

Nate Reznicek '14
President

The vision for the future of Tri-Kap. Read about the **Tri-Kap Capital Campaign** and this critical time for Tri-Kap in the Board of Directors report within and online at www.tri-kap.com/campaign

A TRIBUTE TO HAMILTON CHASE '47

It was with great sadness that we learned of the passing of H. Hamilton (“Ham”) Chase on November 2, 2013.

Ham’s passion for Tri-Kap began during his undergraduate years as he was an active member of the brotherhood. After graduation he settled in Keene, New Hampshire and continued his active involvement with the College. He was often seen on the campus attending alumni functions. He rarely missed a home hockey game. While in town, he often found time to stop by Tri-Kap to visit with the brothers. He shared stories of his beloved Class of ’47 and always showed a deep concern for the welfare of the House.

Ham was President of the Tri-Kap Alumni Board of Directors for many years. He would make the trip from Keene (often several times a week) and whenever necessary to attend meetings, initiate new members, or just hang out. He seemed to revel in the company of the brothers in the place many of us call “home at Dartmouth.”

When I joined the Board in 2003, he welcomed me with his typical charm - making sure I felt comfortable with the group. He looked out not only for the short-term happenings in the fraternity, but also for the long-term needs. He started the idea of a capital campaign to address the deterioration of our, then, 85 year lodge building. Ham was all for anything that would make the brotherhood stronger. He truly worked *for every project, for the welfare of Tri-Kappa, for promoting its ideals, for upholding its fair name.*

When he stepped down from the Board, the undergraduates wrote and signed a letter thanking Ham for his service. Alumni and undergraduates alike wrote articles in “The Pillar” celebrating his service. Francisco Ayala '02 painted a wonderful portrait of Ham, which hangs on the walls of the GOTE room today. Even after he stepped down from the Board, Ham continued to demonstrate an interest in the brothers and the welfare of the fraternity. For 70 years, Ham served the fraternity as a brother, alumnus, advisor, and President of the Board. He taught and embodied the Dartmouth “work hard, play hard” ethic.

A portrait of Ham watches over the GOTE Room

Tri-Kaps in attendance at Ham’s funeral.
(Names from left to right)

Standing: Brian White '15, Terry Lowd '66, Steve Larmon '74, James McKim '83, Anka Tezcan '15, Matthew Graves '14

Kneeling: Josh Schoenbart '16, Robbie Bhattacharjee '15

I, along with Terry Lowd '66, Steve Larmon '74, Matt Graves '14, Anka Tezcan '15, Brian White '15, Robbie Bhattacharjee '15, and Josh Schoenbart '16, attended the services for Ham at United Church of Christ, Central Square in Keene, NH on Saturday, Nov 8th. Ham’s wife Dot and most of his 6 children and 19 grandchildren were in attendance. We were all proud to sing the Tri-Kap Marching Song in his honor. I saw several of Ham’s children smiling while we sang. Ham’s daughter Carol Craig told me afterward that some of Ham’s classmates (Frank Weber '47, Bill Hallager '47, John Trethaway '47 and Fred Sistare '47) were within the vicinity of where we were singing and were thrilled.

A great son of Kappa has passed from the near ship to the ship in the distance – blazing the path before us. His leadership of the Board of Directors during a critical period in the House’s life was instrumental in keeping Tri-Kap the strong institution that it continues to be today. His presence and leadership were exemplary. Tri-Kap is a better place, as is Dartmouth College, for his devotion and dedicated leadership. We all owe him a great debt of gratitude for his untiring efforts on behalf of the fraternity.

Yours in Kappa,
James McKim '83

Board of Directors Report

The past year has been exciting for Tri-Kap. We've held Tri-Kap alumni events in Hanover at Green Key, Homecoming and the June Reunion period for returning classes. We've expanded our regional reunions program, with events in San Francisco, Boston, New York, Chicago and Los Angeles. It has been great to see Tri-Kaps of all generations reconnecting with old friends and building our alumni network. Upcoming alumni events include **our Annual Meeting during Green Key on Saturday, May 17 at 1pm, with new member initiation beforehand at 11:30.** We will also be hosting events for the **returning June Reunion classes. On Saturday, June 7 from 3pm-5pm,** Tri-Kap will host the '64s for their 50th Reunion. **On Friday, June 13 from 4-6pm,** Tri-Kap will host the '73s, '74s, '75s, '84s, '89s, '03, '04s, '05s, and '09s. Please email us at kappa.kappa.kappa.society@gmail.com if you'd like to help plan an upcoming event.

We are also at a pivotal moment in Tri-Kap's long history. Due to changes in building codes, a lack of long-term investment over the years, and the old age of the house, we must undertake a large-scale construction project to renovate and improve our house at 1 Webster Avenue. Tri-Kap is now the last Dartmouth fraternity to have yet to meet the new requirements. If we do not act now, our home at 1 Webster Avenue will be shut down, and our very existence threatened. After many months of planning, we began **the Tri-Kap Capital Campaign** to raise the funds necessary to begin construction as soon as possible and seed an endowment to guarantee future maintenance. In a few short months, we have raised over \$450,000 in pledges from over 150 alumni. However, if we are to preserve the Tri-Kap experience that was afforded to us by older alumni, we need to raise much more. Join your fellow Tri-Kaps who are supporting this experience by giving to the Tri-Kap Capital Campaign. We ask that all alumni contribute to the Campaign to the greatest extent possible, so that we can continue to serve the Dartmouth community, provide a unique undergraduate experience, and build lifelong friendships. Please visit www.trikap.com/campaign for more information and to find out how you can get involved. Join us in writing the next chapter in Tri-Kap's history. To Dartmouth and to Kappa, two as one forever.

Yours in Kappa,

The Tri-Kap Board of Directors

Philanthropy Report

Fall Philanthropy Chair Report

This fall, the brotherhood spearheaded and participated in a variety of philanthropic events. Besides co-sponsoring and donating to a variety of events such as the CHaD (Children's Hospital at Dartmouth) half marathon and 5k, we also volunteered and donated at the campus blood drive.

On Saturday, October 27th, we opened our doors to the Upper Valley community for our annual Halloween on Webster Ave event. We invite Our pledges ran a frightening haunted house in our basement while six sororities helped us run different booths upstairs, with activities ranging from apple bobbing, cornhole, face painting, and cookie decorating. We had a great turnout with children of all ages showing up to share in the Halloween spirit with us. While the '16s weren't quite able to make the Haunted House as scary as us '15s did last year, all attendees had a great time and were impressed with the effort and set up of the house. This event continues to be an important touchstone for demonstrating the beneficial community-building impact of Greek houses, and demonstrates Tri-Kap's firm commitment to improve the lives of others.

Yours in Kappa,

Manav Raj '15

Philanthropy Report Cont'd

Academic Chairman's Report

Winter Philanthropy Chair Report

As part of our continuing focus on serving low income families of the Upper Valley, **Caleb An '15**, **Chris Clark '14**, **Josh Schoenbart '16**, and **Brian White '15** cooked a 'ghetti dinner for some 20 needy Upper Valley families at Our Savior Lutheran Church in Hanover. The event was sponsored by Tri-Kap and hosted by Students Fighting Hunger, a non-profit that works to provide meals for local families struggling to meet dietary needs while also raising awareness about national and global hunger-related issues. Each brother enjoyed the opportunity to engage with Upper Valley residents and learn about the lifestyle and problems associated with hunger. Our Savior Luther Church's pastor, Reverend Michael Thomas, commented on the success of the event and invited us to return during future academic terms. We are looking forward to returning to the church in April, although we have not decided whether we will stick with our well-practiced 'ghetti and meatball recipe or try something new!

There was also great brotherhood turnout to both set up for and donate to the Red Cross Blood Drive. Many of the premed brothers stressed how important donating blood is for saving lives, and a large part of the brotherhood turned out to make the event a larger success than it has been before.

As we look forward to planning more philanthropic events, we invite all alumni to submit ideas for which causes they are particularly passionate for. The brotherhood has discussed a desire to focus on more fundraising alongside our community events, so we would love to work with our alumni base to found a project to raise money for a great cause! Please email either kappa.kappa.kappa@dartmouth.edu or me at bwhite1010@gmail.com to get in contact about philanthropy events.

Yours in Kappa,

Brian White '15
Philanthropy Chair

Fall Academic Chair Report

This past year has seen tremendous academic engagement from the brotherhood, from participating in study abroad programs to conducting research with professors across the College, Tri-Kaps have continued to add to the vibrant academic community at the College. In the economics and finance disciplines, **Robbie Bhattecharjee '15** has been conducting research on the valuation of VIX volatility derivatives and is a member of the College's Fed Challenge team, which took second place behind Harvard in regional competition. In the government department, **Parth Kaul '14** is doing research for his senior honors thesis on the scholar Leo Strauss. As a Presidential Scholar, **Anthony Zhao '14** worked on the development of a multiplexed assay for the detection of antimicrobial peptides in biological fluids and co-authored a manuscript recently published in the *Journal of Immunological Methods*. Currently, a trio of '15s are studying abroad: **Kevin Moon** studying Religion in Scotland, while **Hank Swerdloff** and **Joon Ho Baak** are on language study-abroad programs in France and Spain, respectively. We eagerly await their return to campus to share tales from their travels abroad.

Tri-Kap Needs Your Help!

Academic Report (Cont'd)

Winter Academic Chair Report

This fall and winter, we have continued our tradition of hosting faculty speakers in our hallowed halls. Earlier this month, the brotherhood hosted Dr. Albert G. Mulley Jr. '70, current Director of The Dartmouth Center for Health Care Delivery as well as proud alumnus and former trustee of the College. As a thought leader in the field of informed decision-making, Dr. Mulley engaged the brotherhood and its guests in a lively conversation about Dartmouth and its role in the future of health care. In our second talk, we invited Professor of History Emeritus Jere Daniell to our hallowed halls, who shared stories of Tri-Kap throughout the College's history. We also recently hosted Professor Julie Kalish to talk to the brotherhood about constitutional law. She works for the Institute of Writing and Rhetoric and is on the Board of Governors for Vermont ACLU.

Brothers continued to work hard on their academics and dedicate themselves to research on campus. The brotherhood achieved an above IFC average GPA of 3.513. Looking to the Spring term, we have plans to break into the Top 5 of Greek GPA's through more organized brotherhood study groups.

Yours in Kappa,

Anthony Zhao '14
Academic Chairman

Dr. Albert G. Mulley Jr. '70, the Director of the Dartmouth Center for Health Care Delivery, engaging a group of brothers in our Grand Hall about the future of health care.

Jeremy Thibodeau '14 is currently directing and producing a feature film "The Union" (working title) that is well on it's way to completion.

Look out for a Reunion by You!

Make sure you check www.tri-kap.com often to see the latest dates for a reunion by you. We regularly have alumni reunions in New York City, Boston, Chicago, Atlanta, Los Angeles and San Francisco.

Be sure to come visit for **Green Key on May 17th** and attend Initiation at **11:30am** followed by the Annual Meeting at **1:00pm**. Refreshments and food will be served before and after the Annual Meeting.

Tri-Kap will also be hosting events for **the June reunion classes**:

On Saturday, June 7 from 3pm-5pm, Tri-Kap will host the '64s for their 50th Reunion.

On Friday, June 13 from 4-6pm, Tri-Kap will host the '73s, '74s, '75s, '84s, '89s, '03, '04s, '05s, and '09s.

We look forward to seeing you all there!

Programming Report

Programming Report Cont'd

Fall Programming Chair Report

During the fall the brotherhood enjoyed as many outdoors programming events as was possible before the weather got too cold. With four different barbeques, each one with a great spread of food ranging from chicken wings to shrimp kabobs, brothers got to enjoy time on our porch in the fall sun while feasting on awesome food. Our favorite barbeque was the one we held over Homecoming, which saw dozens of alumni sharing in the fantastic culinary preparations of **Sander Davis '14**, with his signature Cajun chicken thighs.

Besides our many barbeques, we had a very successful Lock-In event where the brotherhood enjoyed a variety of events in the house and were not allowed to leave. Following a very competitive brotherhood football game out by the rugby fields, brothers held a house discussion, got to experience a "reverse" mock meetings where new members pretended to be execs, and watched a movie. Lock-In is always one of the most special times of the year for the brotherhood, and this fall's was one of the best ones we have held in a long time.

Yours in Kappa,

Max Frenkel '14 and Robbie Bhattacharjee '15

Winter Programming Chair Report

This winter the brotherhood took full advantage of the heavy weather to plan some truly fantastic programming events.

There were several brotherhood trips out to the slopes of Killington and the Dartmouth Ski Way to enjoy the great winter sports conditions. Our most successful trip out to Killington was organized by **Kyle Bojanowski '14** and **Josh Schoenbart '16**, featuring the more advanced brothers instructing the skiing newbies on how to take on the slopes.

When the weather got especially bad and made it impossible to leave the house, the brotherhood almost always scheduled a movie night on the projector in the house library. Movies ranged from classics like Lord of the Rings to newer releases such as Lone Survivor and the brotherhood favorite Lego Movie. These events also saw great attendance from potential new members of the '17 class, offering the opportunity to get to know and recruit the future members of our brotherhood.

A new event that saw a lot of brotherhood enthusiasm was the weekly Cigars and Scotch event. Held every Thursday, this event saw brothers and their friends from diverse groups around campus discussing current events, politics, and issues from around campus in an informal environment. All this while enjoying fine cigars and scotches provided by the brotherhood deep into the night.

As we look into the future, we have many fun and connecting programming events planned. Events such as a Harpoon brewery tour and attending sporting events will provide even further bonding experiences for our already tight brotherhood.

Yours in Kappa,

Max Frenkel '14 and Josh Schoenbart '16
Programming Chairs

Jock Chairman's Report

Fall Jock Chair Report

This fall was a time of great athletic success at Tri-Kap, with more emphasis and effort put into athletic achievement. Through a strongly athletic pledge class and increased participation from the brotherhood, we were able to emerge victorious as IM Soccer Champions. Through dominating performances from **Hector Iturbe '16** and **Anka Tezcan '15** (both Club Soccer phenoms) we cruised to a 2-0 victory over AXA for the championship. We also began practice to win the IM Basketball Tourney next term.

Yours in Kappa,

Brian Grumka '15
Jock Chairman

Winter Jock Chair Report

Building off the momentum of our IM Soccer Championship, the brothers bonded together to dominate the boards and take home the IM Basketball Championship this past winter. With a victory over a difficult Chi Heorot team, we managed to bring home the gold for a second term in a row. We look forward to continuing this dynasty into the spring by winning the IM Softball Championship, which has been won many times by Tri-Kap teams of the past.

Yours in Kappa,

Hector Iturbe '16
Jock Chairman

Social Chairman's Report

Tri-Kap has strengthened relationships with sororities throughout the fall and winter with fun and popular tails events. By incorporating exciting themes and improved brotherhood organization, we have revamped the house's image. Utilizing the first floor for card games and mingling and the basement with vortex, bar games, and pong, many students have come and returned for more. Among the best events were James Bond Martini Tails with Tri-Delta sorority, where everyone dressed up in formal attire and were brought cocktail drinks on trays by the pledges. This term we also fully reinstated Freeze, co-hosting with a different sorority each time Freeze was held.

Additionally, we featured an entirely new event this term, in which we turned the library into classic bar for the night, serving signature drinks to campus. This event was a giant success, with special shout outs to **Jeremy Thibodeau '14** and **Hector Moreno '15** for putting in a huge effort to create the alternative social space. We also had Rockstar Energy Drink sponsor our Club Kappa dance party by giving us a few cases of their drink and promotional materials. With their help, we had a fantastic event with high turnout and dancing that lasted throughout the night.

With a new class behind us, we feel confident that the rest of the year will boast many unforgettable nights that our classes will cherish throughout their time at Tri-Kap.

Yours in Kappa,
Andres Ramirez '14, Anka Tezcan '15, and Josh Tupler '16

House Manager's Report

13F and 14W have been especially busy terms for the house managers, and we are glad to say that we have seen many improvements to the physical plant. We are especially proud to state that this term, brothers' contributions to the house were at an all time high. Brothers from all classes have worked hard on this term's lock-in projects that ranged from arranging the composites, reseeding and maintaining the lawn, to completely re-painting the first floor living room. The second floor beach has also undergone a complete overhaul, and has become a popular space for brothers to hang out and enjoy the weather with some smooth brews. The basement was graced with the purchase of a new stainless-steel fridge to reduce electricity costs and more efficiently use our basement space. The GOTE room remains in pristine condition always to accommodate both Executive and Annual meetings.

Tri-Kap successfully passed all of its Housekeeping and FiSH inspections to usher in a very fruitful reunion over Homecoming Weekend. While we recognize the dire need for long-term renovations to the physical plant, we are proud to report that the brothers are working hard to maintain the state of the house. There are several lock-in projects planned to improve the condition of the house and revitalize the scene for when the rest of the brotherhood returns.

The house managers respect and honor the tradition of maintaining the physical plant of 1 Webster Ave., and hope that our contributions to the house, along with those of the rest of the brotherhood, will preserve Tri-Kap's place in the history of Dartmouth College.

Yours in Kappa,

Matthew Graves '14, Will Bollenbach '15, and Jake Bayer '16

Treasurer's Report

We are now through our winter term, and the financial situation at Tri-Kap continues to stay healthy. The brothers have been working together in tightening budgets to help support The Tri-Kap Capital Campaign. Despite budget cuts, the brothers at Tri-Kap were able to enjoy numerous social and programming events. Among other events, the brothers at Tri-Kap have planned to make a day trip to go skeet-shooting later this term.

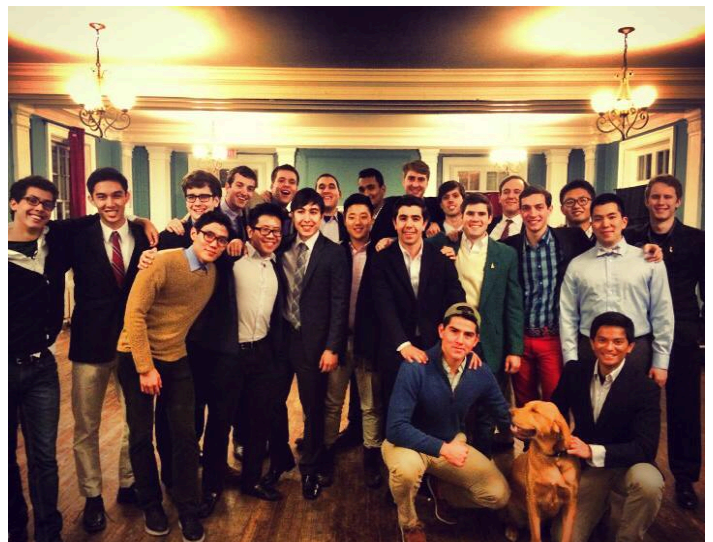

This fall, we also set aside a significant portion of our fall term funds to work on the physical plant. In addition to fixing doors throughout the house, we were able to acquire a pool table, repaint numerous areas around the house, and purchase a brand new refrigerator.

In the winter, we were able to save a large amount of money to top up our safety fund after the many expenses related to the fire damage from Fall 2012.

Overall our operating budgets and monetary situation have become much stronger over the past two terms and we look forward to continuing to work with the Board of Directors to maintain financial health going forward.

Yours in Kappa,

Chris Richardson '14
Treasurer

A group of brothers looking classy in the Great Hall at our successful Winter Rush

IN MEMORIAM

David C. Angell '51

David C. Angell '51, M.D., died in his hometown of Eau Claire, Wisconsin, on May 21, 2013. He loved the out-of-doors. His idea of a perfect day included hiking, biking, running, swimming, skiing, canoeing, rafting, bird-watching—activities that combined his passions for nature, fitness and adventure. He and his wife, Joan, shared many of these interests; they bicycled though each of the 251 towns in Vermont and enjoyed several strenuous bicycling trips in Europe. At Dartmouth he was an active member of the Outing Club and the Ledyard Canoe Club. He and his roommate Jim Asker '51 canoed from Evanston, Illinois, to New Orleans as undergraduates. Dave also played trumpet in the Marching Band and was a member of Kappa Kappa Kappa. His professional life was spent as an analytical and clinical pathologist at Sacred Heart Hospital in Eau Claire, following receipt of his medical degree at McGill University and two years service in the U.S. Army. In addition to outdoor and fitness activities, Dave was active in tall grass prairie restoration efforts in Wisconsin and served on the boards of the Eau Claire YMCA and of his church. He was a lifelong learner, cherishing the excitement of trying new things. One of his legacies is the Indianhead Track Club in western Wisconsin, which he co-founded 45 years ago and led for many years. Besides his wife, David is survived by three children and three grandchildren. His father, Wilmer Angell, M.D., was a member of Dartmouth's class of 1922.

Hugh Francis Lena Jr. '43

Hugh Francis Lena Jr. '43 died June 28 at his home in Niantic, Connecticut. At Dartmouth he was a premed major, a member of Kappa Kappa Kappa and Alpha Kappa Kappa, participated in gymnastics and was active with the Friends of Aquinas House. He stayed on in Hanover after graduation to attend Dartmouth's two-year Medical School, then went on to receive his medical degree from Cornell Medical School in 1945. After completing his surgical residency at the University of Michigan Hospital in Ann Arbor, Michigan, Hugh joined the U.S. Air Force's medical division, stationed in Denver. While there he met and married Edith Jeanne Bennett (always called Jeanne) in 1947. He was discharged as a captain in 1948. Hugh spent most of his medical career as an attending surgeon at Lawrence and Memorial Hospital in New London, Connecticut. He specialized in general surgery with an emphasis on abdominal, hand and pediatric surgery. He was a member of the editorial board of the Connecticut State Medical Journal, president of the New London County

Medical Association and received a special papal award from Pope Paul VI in 1965. He enjoyed hunting, fishing, camping and photography. Hugh made hunting trips to Africa, Newfoundland, British Columbia, the Yukon Territory and Scotland. Ever loyal to Dartmouth, Hugh was a class agent, on the class executive committee and was a Dartmouth club president. Jeanne died in 1999. Hugh is survived by four daughters, two sons and 10 grandchildren. His son Peter graduated from Dartmouth in 1979.

Frederick Arthur "Tad" Stahl '52

Frederick Arthur "Tad" Stahl '52 died unexpectedly on July 26. He was born in Danbury, Connecticut, and came to college from Danbury high school. At Dartmouth Tad majored in architecture, was a member of Kappa Kappa Kappa and graduated summa cum laude. He was a Rufus Choate Scholar and received the Phi Beta Kappa scholarship prize. He also sang in the Glee Club. He went to the Harvard Graduate School of Design for a year and received an M.Arch. at the MIT School of Architecture and Planning. Dartmouth then awarded Tad a Reynolds Fellowship that took him to London for 18 months of research and teaching. He went on to build an extensive record as an architect responsible for the State Street Bank building at 225 Franklin St., the 1976 restoration of Quincy Market and the Park Street Church ministries building among many other significant commissions in Boston and beyond. He was honored by Dartmouth in Boston as a Builder of the Green in the 1990s. Tad also served as a board member of the Boston Architectural Center, one of America's foremost schools of design. He never lost his love of music and he sang with the Apollo Club, America's oldest continuous male chorus. He and his wife lived in Beacon Hill in Boston from 1964 until his passing. He is survived by his wife of 52 years, Jane, and children Matthew, Nicholas'90 and Isabelle.

Hugh Joseph Connelly Jr. '54

Hugh Joseph Connelly Jr. '54 passed away on May 11, 2012, at the Compassionate Care Center in Trenton, New Jersey. Hugh came to Dartmouth from Trenton Catholic Boys' High School. He was a brother of Kappa Kappa Kappa. Hugh served in the U.S. Army and was a graduate of Georgetown Law School. He was retired after more than 30 years of working for the New Jersey Department of Corrections. He is predeceased by his wife, Christine, and is survived by his sons Kevin and Kyle.

IN MEMORIAM

Dennis J. Sanidas Jr. '57

Dennis J. Sanidas Jr. '57 passed away on April 22 in Stuart, Florida. He grew up in New Bedford, Massachusetts, and after graduating from New Bedford High School, entered Dartmouth in the fall of 1953. At Dartmouth he majored in zoology and belonged to Kappa Kappa Kappa, Rowing Club, Yacht Club and the debate team. He went on to graduate from Boston University Medical School in 1961. After an internship at Beverly (Massachusetts) Hospital Dennis did his residency in radiology while serving in the U.S. Army at the Fitzsimmons Army Medical Center in Denver. In 1968 Dennis and his family settled in Falmouth, Massachusetts, on Cape Cod. He was a founder of Bay Radiology Associates and served as a radiologist at Falmouth Hospital and Tobey Hospital in Wareham, Massachusetts. He also served on the board of directors of Falmouth Bank and Trust Co. An avid fisherman, Dennis spent as much of his time on the water as possible, most often with all or part of his family in tow. He is survived by children Brett and Amy and three grandchildren. His wife of 46 years, Sylvia ("Nickie"), passed away in 2005.

James Leon Fraser '52

James Leon Fraser '52 died at home in Williston, Vermont, on February 4. Jim was born in Paris, France, attended the Buckley School in New York City, Eaglebrook School in Deerfield, Massachusetts, Brooks School in North Andover, Massachusetts, and Dartmouth, graduating in 1952. While at Dartmouth he majored in economic geography and was a Rufus Choate Scholar as well as a senior fellow. He was a member of Kappa Kappa Kappa. Following college Jim married Mary Ann Gunther and served in the U.S. Army Counter Intelligence Corps. After military service he moved to New York City and worked first for First National City Bank, then for the brokerage firm of Hayden, Stone & Co. In 1961 Jim founded the Fraser Publishing Co. in Wells, Vermont, which published books focusing on creativity and independent thinking as it relates to investments, speculation, socio-economics and the history of Wall Street. Jim also collected and sold out-of-print books on these topics. In 1969 Jim moved Fraser Publishing to Burlington, Vermont, where in 1971 he also founded Fraser Management Associates Inc., a financial and investment counsel firm. In the late 1970s he was a columnist for U.S. News & World Report as well as a columnist in Better Investing. In 1970 he divorced, and in 1973 married Victoria Keller Becker, an artist and

administrator. Jim is survived by Victoria, son Mark, daughter Maury, eight grandchildren and six great-grandchildren. His son Kevin predeceased him in 2000.

Edward F. Everett '54

Edward F. Everett '54 passed away on January 31 in Pembroke, New Hampshire. Ted came to Dartmouth from Vermont Academy. At Dartmouth he majored in geography and was a brother of Kappa Kappa Kappa. After Dartmouth he served two years in the Air Force before joining the property and casualty insurance agency of Morrill and Everett in Concord, New Hampshire, where he spent his entire career. Ted was an avid radio operator. He obtained his first license (WITNO) while a freshman at Dartmouth and later added W1ALE. He participated in many ham radio nets, often being net control for the Granite State net. He was a judge for both ice and roller skating and traveled around New England and to Lake Placid, New York, judging figure-skating competitions. A lifelong bachelor, Ted is survived by his sisters Jean and Cynthia.
